

2019-2020 SAIT Parking:

SAIT continues to provide the GHC program with excellent weeknight ice times. Our program struggles with weeknight ice, and the additional times at SAIT assist our program a great deal.

For 2019-2020, parking will no longer be validated at the venue.

There is a free 15 minute drop off zone in front of the P2 parking lot.

There are some lots where weekend and weeknight parking is maxed @ \$7.00 (P3, P6)

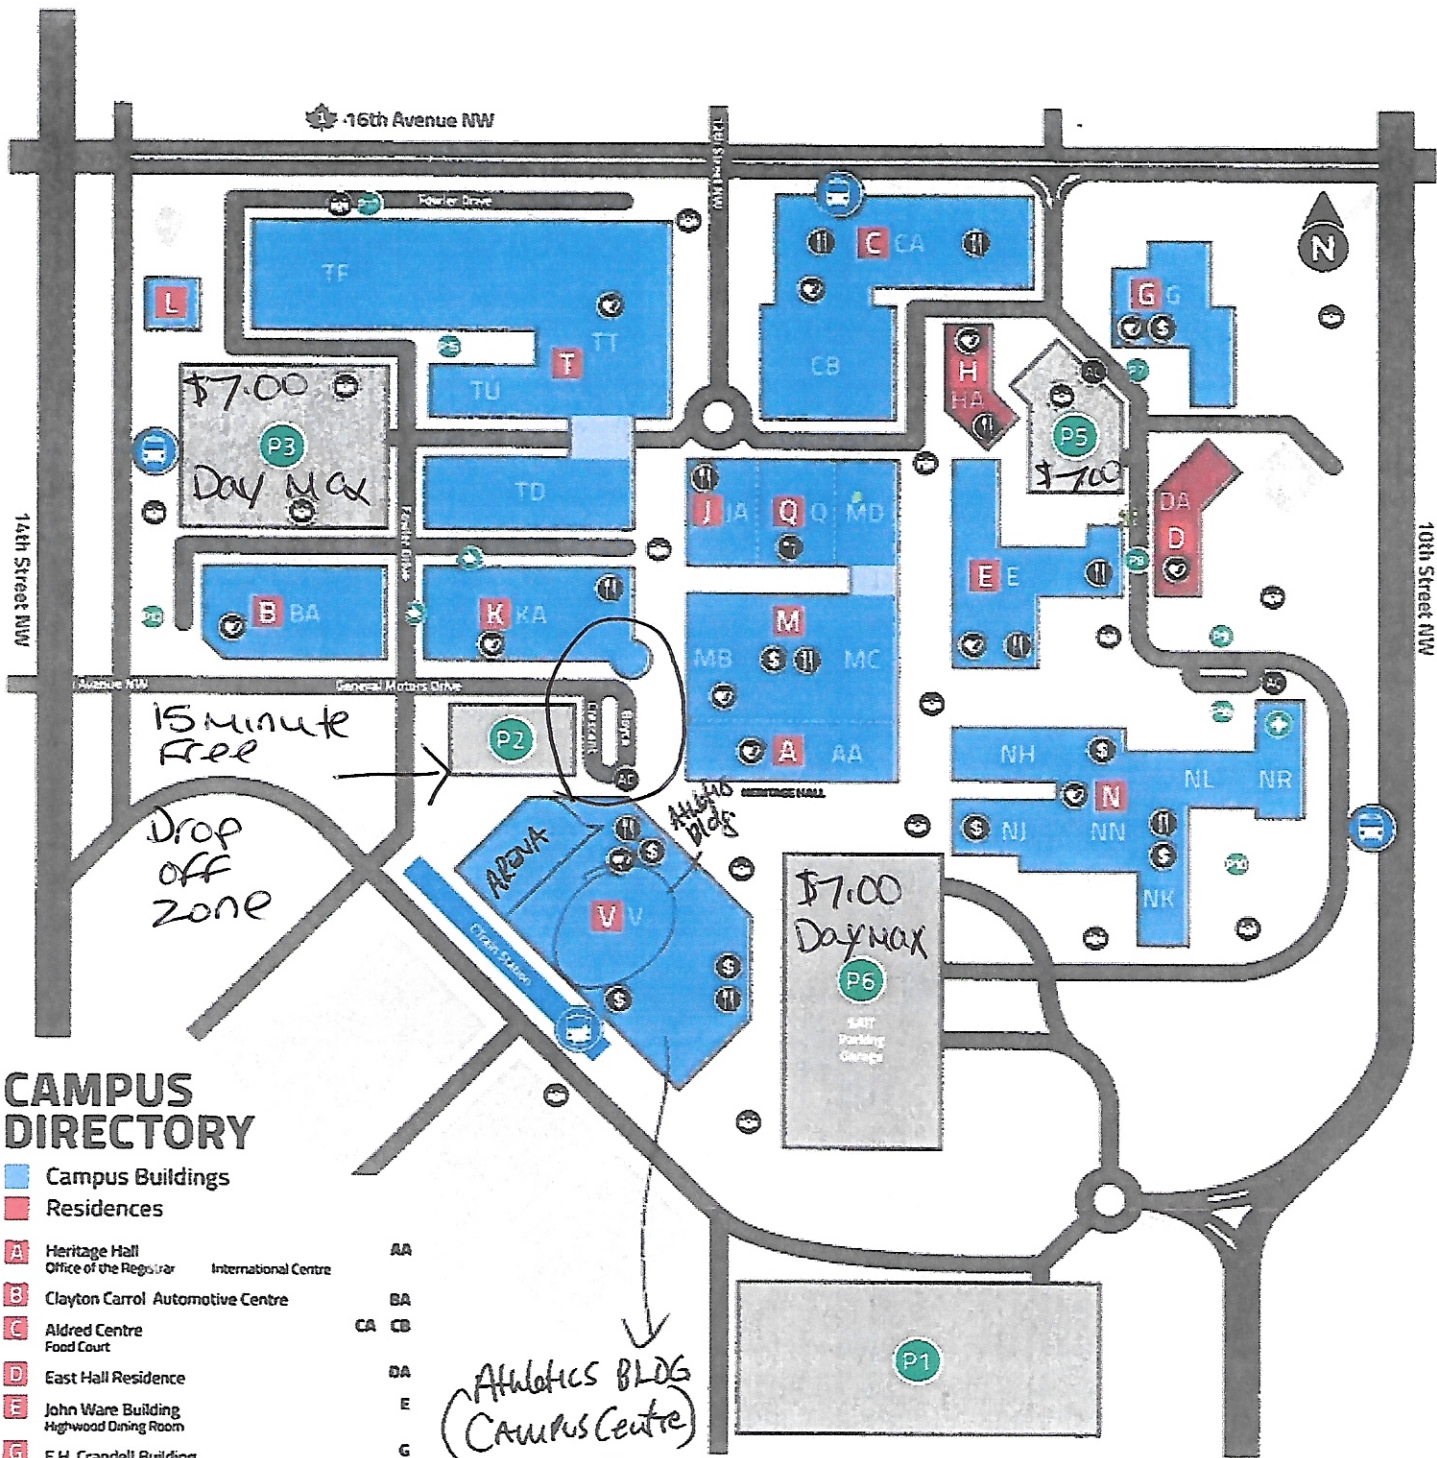

Where possible, ice times at the venue will be assigned as full ice slots to our older players. Ice times will be rotated throughout the teams.

Where possible, we would encourage car pooling.

There are multiple parking options available on campus as outlined on SAIT's parking page.

In addition to daily lots, drop-off parking is available in lot P2 in front of Campus Centre — you can park for up to 15 minutes, free of charge.
