### **Showcasing Elite Female Hockey in Western Canada**

The Calgary Fire AAA/AA Female Program and its volunteer members created the Calgary Firestarter Tournament in 2016. A tournament of this size raises the profile of AAA/AA female hockey in Western Canada, and provides an opportunity for our athletes to diversify their competition pool. Its preseason timing also informs player selection for club teams.

Many of the athletes who compete in the Firestarter have committed to university or college teams in Canada and the United States. Our teams are a representation of the highest level of amateur female hockey in Western Canada.

# Tournament Rules

1. We will follow Hockey Canada and Hockey Alberta Regulations. Players and coaches may be subject to additional penalties by Hockey Alberta or their governing body.
2. All decisions made by the officials on ice or by the Firestarter Tournament Committee are final.
3. Teams will be responsible for any damages caused to hotels, dressing rooms, or arena facilities.
4. It is each team's responsibility to ensure the dressing rooms doors are locked, the facility is not responsible for lost or stolen items.
5. For Sunday games the tournament reserves the right to change the order of games to assist teams with travel plans. Teams will be notified Saturday evening of their play times for Sunday. An update will also be posted on the Calgary Firestarter website.
6. Minimum Suspension Guidelines will follow the Hockey Alberta Guidelines.

## Game Format

1. Tournament will be a 4-game guarantee, with a calculation of the round-robin points after Saturday games determining which teams play in which games, including the Bronze and Gold finals, on Sunday.
2. All games consist of 3 (20-20-20) stop time periods. Ice will be cleaned after every second period unless the teams are otherwise advised by Tournament officials. Due to time restrictions, the national anthem will not be played before games.
3. 5-minute warm up begins immediately following ice cleaning. At conclusion of warm up teams must line up to play immediately or risk a delay of game penalty.
4. Designated home teams will wear light-coloured jerseys and visiting teams will wear dark-coloured jerseys.
5. Timeouts are allowed in Bronze and Gold games only; each team is allowed one 30 sec time out.

## Standings Will Be Determined By

- 3 Points for a Win
- 1 Point for a Tie
- 0 Point for a Loss
- Points will be calculated at the end of Saturday's games to determine games and opponents for Saturday's games, including the top four teams who will play in the Bronze and Gold games.

## Point Tie Breakers in Order

1. Head-to-Head Winner
2. Number of wins
3. Aggregate goals for minus goals against in round robin (and elimination games)
4. Fewest total penalty minutes in round robin play (and elimination games)
5. Fewest total goals allowed
6. Flip of a coin

## Gold Game Overtime

1. Overtime will only be used to determine the winner of the Gold game.
2. If tied at the end of regulation, Gold game teams will play 5 min stop time OT, 3 on 3 plus goaltenders, sudden victory.
3. If still tied, the Gold game will proceed to shoot-out.

## Shootouts (Gold game, if still tied at the end of OT, will also be subject to these shootout rules)

1. If tied at the end of regulation, (but subject to ice permit limitations) games proceed directly to a shootout without changing ends of the ice.
2. For a shootout, each team will select 3 players for round one.
3. Players serving penalties which do not expire prior to the end of regulation or OT (as applicable), will not be eligible to shoot in the shoot-out.
4. Visiting team will shoot first, then teams will alternate shooters until a winning team is determined or until all three shooters from both teams have shot.
5. If at the end of round one the score is still tied, each team will alternate one shooter each until a winner is declared.
6. Players can only shoot once until all eligible players on their bench have shot. This rule also applies to the first 3 shooters.
