Dear GHC U13 Families:

Thank you for your patience and support as we near the end of our 2021-22 Community Evaluation process for U13. Groupings for Sunday, September 5, 2021 are now available on the website. We've included where each Grouping is trending within the age group after the first three sessions. However, please note that **trending information is not confirmation of final team placement**. Players will continue to move if they are outliers in their respective groups.

GHC has 187 players registered for U13, which allows us to roster 11 teams of 16 skaters and 1 goalie. A typical roster will include 9 forwards and 6 defence, although this may not be possible for all teams as we have an uneven number of players per position.
